- V. Intra-Group Transactions Policy

I. Self-Assessment Report of the Implementation of Integrated Governance of P.T. Bank Bumi Arta Tbk. and P.T. Asuransi Artarindo of 2015

SELF-ASSESSMENT RESULT OF THE IMPLEMENTATION OF INTEGRATED GOVERNANCE	
Rank	Rank Definition
2	Financial Conglomerate has been assessed to have implemented the Integrated Governance which is generally good. This is reflected from the sufficient fulfillment on the application of the Integrated Governance principle. Should there are weaknesses in the implementation of Integrated Governance, generally the weaknesses are less significant and can be solved through normal actions by the Main Entity (P.T. Bank Bumi Arta Tbk.) and/or the interrelated Financial Services Institution(P.T. Asuransi Artarindo).
Analysis	
Implementation of Governance which includes structure, process, and result of Integrated Governance between P.T. Bank Bumi Arta Tbk. and P.T. Asuransi Artarindo is sufficient. The existing weaknesses in the implementation of Integrated Governance is less significant and can be immediately resolved.	

Based on the analysis of all the assessment indicators of the implementation of Integrated Governance, it can be concluded that:

A. Structure of Integrated Governance

The positive factors of the aspects of Integrated Governance Structure are:

a. The Board of Directors of the Bank as the Main Entity

The Board of Directors of the Bank as the Main Entity has met the requirements of integrity, competency, and financial reputation as well as has received the approval from the Financial Services Authority.

b. The Board of Commissioners of the Bank as the Main Entity

The Board of Commissioners Bank as the Main Entity has met the requirements of integrity, competency, and financial reputation and has received approval from the Financial Services Authority.

c. Integrated Governance Committee

The number, composition and competence of the members of the Integrated Governance Committee are in accordance with the requirement of the Financial Conglomerate with regard to the representation of their respective financial services sectors.

d. Integrated Compliance Unit

The Work Unit of Integrated Compliance is independent to the operating work unit.

e. Integrated Internal Audit Work Unit

Integrated Internal Audit Work Unit is independent to the operating unit.

f. Implementation of Integrated Risk Management

The Bank as the Main Entity has sufficient organizational structure to support the implementation of the Integrated Risk Management as stipulated in the provisions of the Financial Services Authority on the application of the Integrated Risk Management for Financial Conglomerate, among others having the Integrated Risk Management Committee and the Integrated Risk Management Work Unit.

g. Integrated Governance Guidelines

Integrated Governance Guidelines have included the framework of integrated governance for the Bank as the Main Entity and Insurance as the Interrelated Financial Services Institution.

B. Process of Integrated Governance

1. The positive factors of the aspects of Integrated Governance Process are:

a. The Board of Directors of the Bank as the Main Entity

The Board of Directors of the Bank as the Main Entity has submitted to the Guidelines of Integrated Governance to the Board of Insurance Directors as the Interrelated Financial Services Institution.

b. The Board of Commissioners Bank as Main Entity

The Board of Commissioners Bank as the Main Entity has conducted supervision on the implementation of the duties and responsibilities of the Board of Directors of the Bank as the Main Entity, particularly in the preparation of Integrated Governance Guidelines.

c. Integrated Compliance Work Unit

The Integrated Compliance Work Unit has monitored and evaluated the implementation of the compliance function at the Bank and Insurance in the Financial Conglomerate.

d. Implementation of the Integrated Risk Management

The Bank as the Main Entity has implemented the Integrated Risk Management in accordance with the provisions of the Financial Services Authority on the application of the Integrated Risk Management for Financial Conglomerate.

e. Integrated Governance Guidelines

The implementation of the Integrated Governance process by the Bank as the Main Entity and the Insurance as the interrelated Financial Services Institution has referred to the Integrated Governance Guidelines.

2. The negative factors of the aspects of Integrated Governance Process are:

a. Integrated Governance Committee

The Integrated Governance Committee was effectively formed on November 16, 2015, hence the Integrated Governance Committee will discuss the implementation of Integrated Governance in the meeting of Integrated Governance Committee that will be held in the first semester of 2016.

b. Integrated Internal Audit Work Unit

Integrated Internal Audit Work Unit will monitor the implementation of internal audit at the Bank and Insurance in Financial Conglomerate.

C. Result of the Integrated Governance

1. The positive Factors of the aspects of Integrated Governance are:

a. Board of Commissioners of the Bank as the Main Entity

The Board of Commissioners of the Bank as the Main Entity has formed the Integrated Governance Committee.

b. Integrated Compliance Work Unit

The Integrated Compliance Work Unit has submitted reports on the implementation of duties and responsibilities to the Director in charge of the Bank Compliance function to perform oversight over the Bank and the Insurance in the Financial Conglomerate.

c. Implementation of Integrated Risk Management

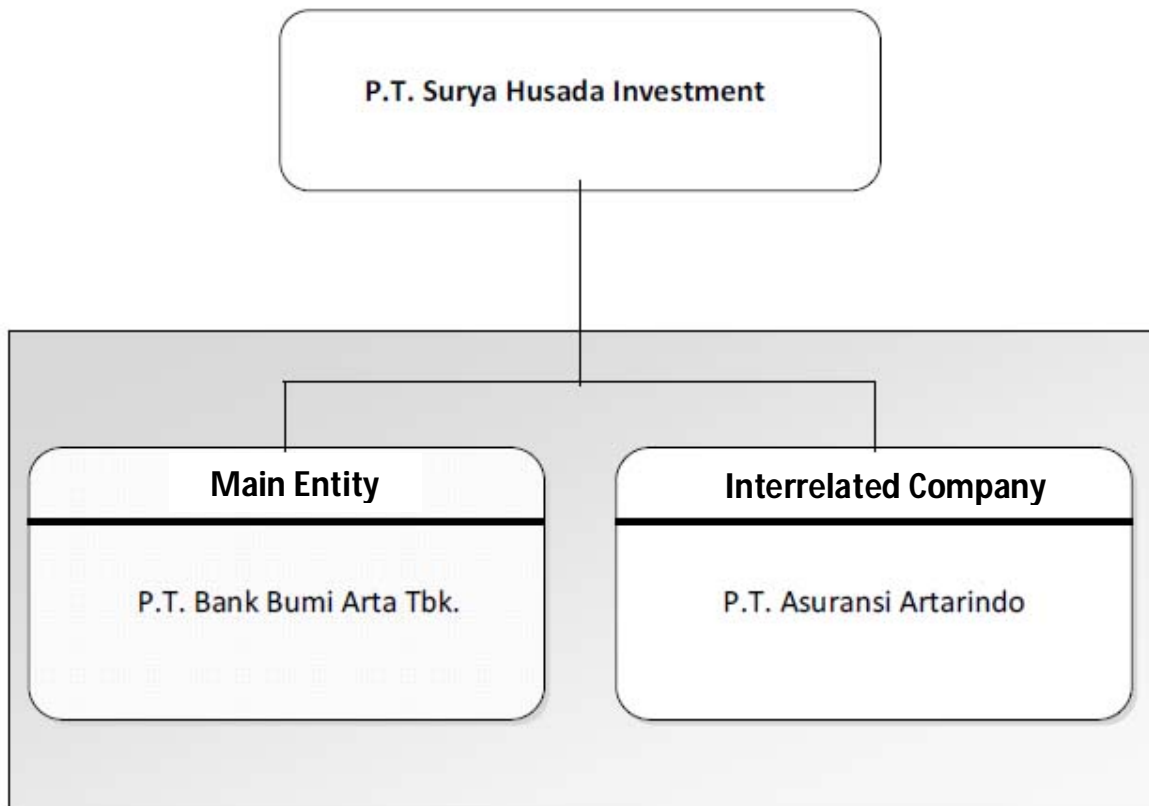

The Bank as the Main Entity has applied the Integrated Risk Management effectively in accordance with the characteristics and complexity of the Financial Conglomerate.

d. Integrated Governance Guidelines

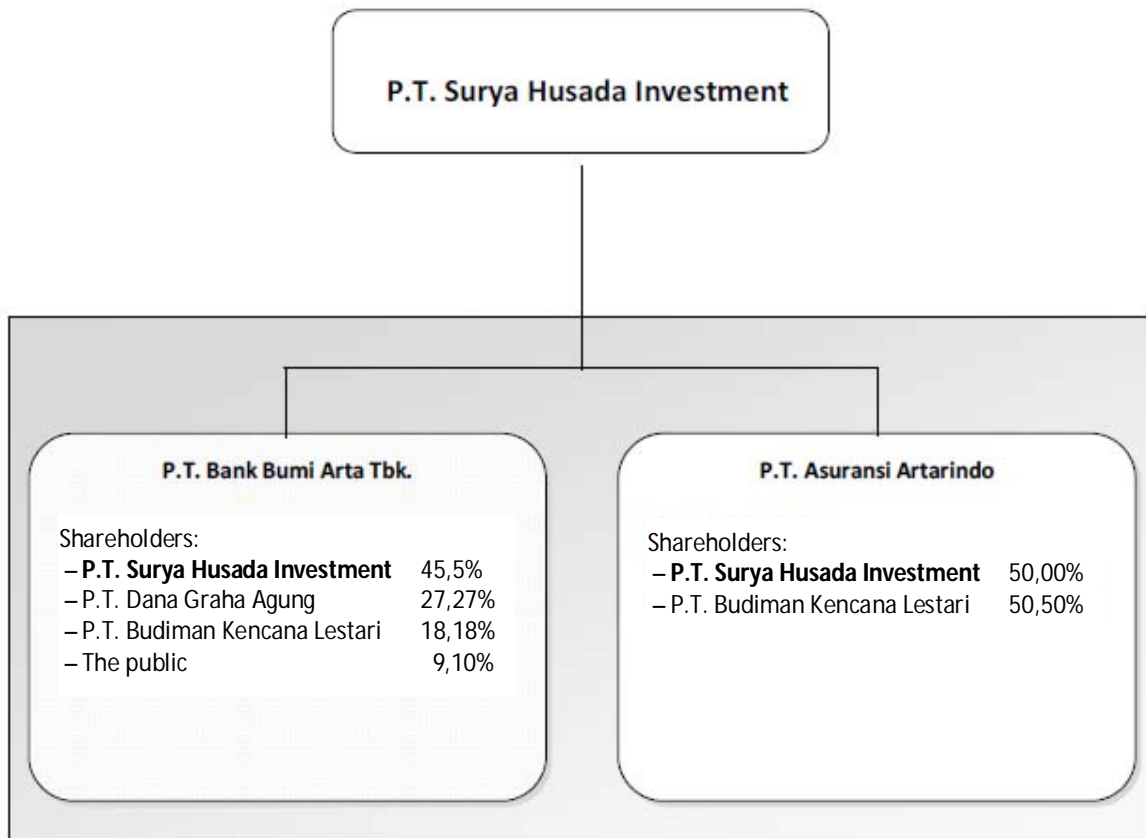

The result of the Integrated Governance has reflected that the Bank as the Main Entity and Insurance as the interrelated Financial Services Institution in the Financial Conglomerate have implemented the principles of good governance in accordance with the Integrated Governance Guidelines.

II. Structure of Financial Conglomerate of P.T. Bank Bumi Arta Tbk. and P.T. Asuransi Artarindo

P.T. Bank Bumi Arta Tbk. based on the appointment of P.T. Surya Husada Investment as the controlling shareholder of P.T. Bank Bumi Arta Tbk. and P.T. Asuransi Artarindo, is the **Main Entity** in Financial Conglomerate with a member of an **interrelated company**, namely P.T. Asuransi Artarindo.

III. Shareholding structure at the Financial Conglomerate of P.T. Bank Bumi Arta Tbk. and P.T. Asuransi Artarindo, that depicts the Parties who are the Shareholders at P.T. Bank Bumi Arta Tbk. and P.T. Asuransi Artarindo up to the Last Controlling Shareholders (Ultimate Shareholders)

IV. The management structure of P.T. Bank Bumi Arta Tbk. as the Main Entity and P.T. Asuransi Artarindo as the Interrelated Company

Director	Jeneman Iskandar

C. Duties and Responsibilities of the Board of Commissioners and the Board of Directors of P.T. Bank Bumi Arta Tbk. as the Main Entity

1. The Duties and Responsibilities of the Board of Commissioners of the Bank as the Main Entity

The Board of Commissioners of the Bank as the Main Entity supervises the application of Integrated Governance, at least:

a. Monitoring the application of governance in each of the Financial Services Institution in the Financial

Conglomerate in accordance with the Integrated Governance Guidelines.

- b. Overseeing the implementation of the duties and responsibilities of the Main Entity Board of Directors, and providing directives or advices to the Main Entity Board of Directors on the implementation of Integrated Governance Guidelines.
- c. Approving the Integrated Governance Guidelines.
- d. Evaluating the Integrated Governance Guidelines and providing guidance for improvements.

2. The Duties and Responsibilities of the Board of Directors of the Bank as the Main Entity

The Board of Directors as the Main Entity shall ensure the application of Integrated Governance in the Financial Conglomerate, at least:

- a. Preparing the Integrated Governance Guidelines.
- b. Directing, monitoring and evaluating the implementation of Integrated Governance guidelines.
- c. Following-up the instructions/advice of the Board of Commissioners of the Bank as the Main Entity in order to improve the Integrated Governance Guidelines.
- d. Ensuring that audit findings and recommendations of the integrated internal audit work unit, external auditors, the Financial Services Authority and/or results from

other authorities have been acted upon by the Bank and the Insurance.

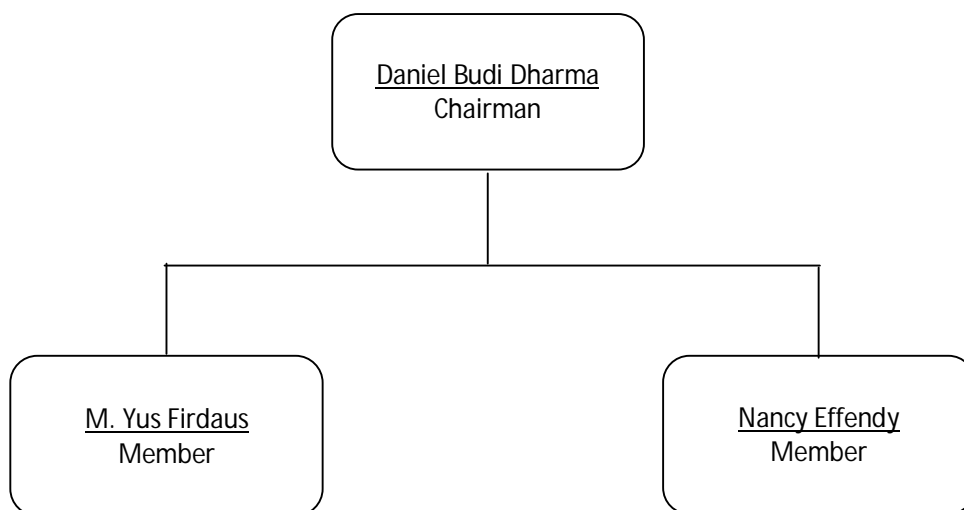

- e. Delivering the Integrated Governance Guidelines to the Insurance Director as the Interrelated Company.

D. Integrated Governance Committee

In order to support the effectiveness of the performance of its duties, the Board of Commissioners of the Bank as the Main Entity Board of Commissioners has established the Integrated Governance Committee.

1. Structure and Integrated Governance Committee Membership

The Committee of the Integrated Governance was effectively formed on November 16, 2015. The Structure of the Integrated Governance Committee is as follows:

The structure of the Integrated Governance Committee membership consists of:

- a. Daniel Budi Dharma, Commissioner P.T. Bank Bumi Arta Tbk., As Chairman and Member.
- b. M. Yus Firdaus, Independent Commissioner of P.T. Asuransi Artarindo, as a Member.
- c. Nancy Effendy, independent party, as a Member.

2. The Authorities and Responsibilities of the Integrated Governance Committee

The Integrated Governance Committee has the authorities and responsibilities as follows:

- a. Evaluate the implementation of Integrated Governance at least through the assessment of the sufficient internal controls and the implementation of the integrated compliance function.
- b. Provide recommendations to the Board of Commissioners of the Bank as the Main Entity Board of Commissioners for the improvement of the Integrated Governance Guidelines.

3. Frequency of the Integrated Governance Committee Meeting

In exercising the authorities and responsibilities, the Integrated Governance Committee shall perform meetings of at least 1 (one) time each semester.

V. Intra-Group Transactions Policy

In order to supervise and monitor the transactions of the Intra-Group Financial Conglomerates as well as to minimize the risk of dependence of an entity either directly or indirectly to other entities in a Financial Conglomerate, the preparation of an Intra-Group Transactions Policy is required.

A. General Provisions

1. Intra-group Transactions are transactions between an entity either directly or indirectly to other entities in a Financial Conglomerate.
2. Intra-Group Transactions Risks are risks resulted by reliance of an entity either directly or indirectly to other entities in a Financial Conglomerate in order to fulfill the obligations of a written agreement or an unwritten agreement either followed by the transfer of funds and/or not followed by the transfer of funds.

B. Identification

Intra-Group Transactions risks may arise from, among others:

1. Cross ownership between Financial Services Institution in the Financial Conglomerate;
2. Centralized management of short-term liquidity;

3. Collaterals, loans, and commitments given or obtained by a Financial Services Institution from other Financial Services Institution in the Financial Conglomerate;
4. Exposure to the controlling shareholders, including the exposure of loans and off-balance sheet such as collaterals and commitments;
5. Purchase or sale of assets to a Financial Services Institution in the Financial Conglomerate;
6. Transfer of risk through reinsurance; and/or
7. Transactions to transfer risk exposure to a third party risk within the Financial Services Institution in a Financial Conglomerate.

C. Management

Bank Bumi Arta as the Main Entity is required to manage and monitor the integrated Intra-Group Transactions.

The management of Intra-Group Transactions is carried out with due regard to the applicable provisions, among others:

1. The provisions of the Legal Lending Limit,
2. The provisions of fund placement restrictions of a third-party;
3. The provisions of determining the applicable interest rate;
4. The provisions of conflict of interest;
5. The provisions of equity investment in the subsidiary.

Monitoring of Intra-Group transactions is carried out through inter alia:

1. The composition of Intra-Group transactions in the Financial Conglomerate;
2. Completeness of documentation and Intra-group transactions fittingness;
3. Other information related to Intra-group transactions.

D. Mitigation

Control of Intra-Group transaction is done by taking into account, among others:

1. Each Intra-group transaction must comply with applicable law and regulation both internally and externally.
2. Completeness of documentation and justification of Intra-Group transactions.

Jakarta, May 25, 2016
