The Integrated Governance Committee has the authorities and responsibilities as follows :

- a. Evaluate the implementation of Integrated Governance at least through the assessment of the sufficient internal controls and the implementation of the integrated compliance function.

- b. Provide recommendations to the Board of Commissioners of the Bank as the Main Entity Board of Commissioners for the improvement of the Integrated Governance Guidelines.
3. Frequency of the Integrated Governance Committee Meeting
In exercising the authorities and responsibilities, the Integrated Governance Committee shall perform meetings of at least 1 (one) time each semester.

V. Intra-Group Transactions Policy

In order to supervise and monitor the transactions of the Intra-Group Financial Conglomerates as well as to minimize the risk of dependence of an entity either directly or indirectly to other entities in a Financial Conglomerate, the preparation of an Intra-Group Transactions Policy is required.

A. General Provisions

1. Intra-group Transactions are transactions between an entity either directly or indirectly to other entities in a Financial Conglomerate.
2. Intra-Group Transactions Risks are risks resulted by reliance of an entity either directly or indirectly to other entities in a Financial Conglomerate in order to fulfill the obligations of a written agreement or an unwritten agreement either followed by the transfer of funds and/or not followed by the transfer of funds.

B. Identification

Intra-Group Transactions risks may arise from, among others:

1. Cross ownership between Financial Services Institution in the Financial Conglomerate;
2. Centralized management of short-term liquidity;

3. Collaterals, loans, and commitments given or obtained by a Financial Services Institution from other Financial Services Institution in the Financial Conglomerate;
4. Exposure to the controlling shareholders, including the exposure of loans and off-balance sheet such as collaterals and commitments;
5. Purchase or sale of assets to a Financial Services Institution in the Financial Conglomerate;
6. Transfer of risk through reinsurance; and/or
7. Transactions to transfer risk exposure to a third party risk within the Financial Services Institution in a Financial Conglomerate.

C. Management

Bank Bumi Arta as the Main Entity is required to manage and monitor the integrated Intra-Group Transactions.

The management of Intra-Group Transactions is carried out with due regard to the applicable provisions, among others :

1. The provisions of the Legal Lending Limit,
2. The provisions of fund placement restrictions of a third-party;
3. The provisions of determining the applicable interest rate;
4. The provisions of conflict of interest;
5. The provisions of equity investment in the subsidiary.

Monitoring of Intra-Group transactions is carried out through among others :

1. The composition of Intra-Group transactions in the Financial Conglomerate;
2. Completeness of documentation and Intra-group transactions fittingness;
3. Other information related to Intra-group transactions.

D. Mitigation

Control of Intra-Group transaction is done by taking into account, among others :

1. Each Intra-group transaction must comply with applicable law and regulation both internally and externally.
2. Completeness of documentation and justification of Intra-Group transactions.
