### INTRODUCTION

P.T. Bank Bumi Arta Tbk. (Bank Bumi Arta) as a banking institution is committed to implementing prudential banking and consistently prioritizing ethics and integrity in managing the Bank, with the aim of improving performance, guaranteeing the fulfillment of the rights of the stakeholders, and increasing compliance with general laws and regulations in the banking industry and the Capital Market. Bank Bumi Arta in the context of developing Corporate Governance that is aligned with the best practices, continuously improves control and risk management systems that can ensure accountability that is commensurate with the business risks faced. In addition, the development of Corporate Governance also aims to provide adequate protection and fair treatment to all shareholders and other stakeholders, by maximizing shareholder value.

The implementation of Corporate Governance in Bank Bumi Arta is based on 5 basic principles, namely transparency, accountability, responsibility, independency and fairness.

The implementation of Corporate Governance in Bank Bumi Arta also based on the Regulation of Financial Services Authority No. 55/POJK.03/2016 of December 7, 2016, and Financial Services Authority Circular Letter No. 13/SEOJK.03/2017 of March 17, 2017 on Implementation of Corporate Governance for Commercial Banks and Regulation of Financial Services Authority No. 45/POJK.03/2015 of December 23, 2015 and Financial Services Authority Circular Letter No. 40/SEOJK.03/2016 of September 26, 2016 on the Application of Governance in Granting Remuneration for Commercial Bank.

Bank Bumi Arta commits to practice and implement the principles of Good Corporate Governance in every business activity at all organization levels and stages.

The Report on Implementation of Corporate Governance of Bank Bumi Arta of 2021 consists of 2 (two) sections as follows:

- I. Transparency of Implementation of Corporate Governance.
- II. Report of Self Assessment on Implementation of Corporate Governance.

### I. Transparency of Implementation of Corporate Governance

#### A. Disclosures of Corporate Governance Practices

##### 1. Fulfillment of Duties and Responsibilities of the Board of Directors and the Board of Commissioners

The role of the Board of Directors and the Board of Commissioners in public company management is highly important. Assignment of duties and responsibilities of the Board of Directors and the Board of Commissioners is basically set forth in the Law on Limited Liability Company, the Articles of Association and the Regulation of Financial Services Authority concerning Corporate Governance, and the internal policy of Bank Bumi Arta in general serves as a guidance for the Board of Directors and the Board of Commissioners in performing their duties and responsibilities with regard to the management of Bank Bumi Arta.

##### a. The Number, Composition, Criteria and Independence of members of the Board of Directors and the Board of Commissioners

The Board of Directors in Bank Bumi Arta consists of 5 (five) people as follows:

- 1) Wikan Aryono as the President Director
- 2) Hendrik Atmaja as the Credit and Marketing Director
- 3) John David Nehemia Engelen as the Compliance Director<sup>\*)</sup>
- 4) Edwin Suryahusada as the Director of Business Development and Finance
- 5) Aditya Putra Utama as the Director of Digital Banking.

---

<sup>\*)</sup> Received approval from OJK on the 7<sup>th</sup> of December 2022 and effective from the 16<sup>th</sup> of December 2022.

Meanwhile, the Board of Commissioners in Bank Bumi Arta consists of 4 people as follows:

- 1) Ir. Rachmat Mulia Suryahusada, MBA, as the President Commissioner
- 2) Daniel Budi Dharma as an Independent Vice President Commissioner
- 3) R.M. Sjariffudin as an Independent Commissioner
- 4) I Gst Agung Rai Wirajaya as a Commissioner<sup>\*)</sup>

The President Director and Compliance Director of Bank Bumi Arta originate from Parties Independent from the controlling Shareholders.

All members of the Board of Directors and the Board of Commissioners have obtained approval from Financial Services Authority.

All members of the Board of Directors and the Board of Commissioners reside in Indonesia.

Replacement and/or appointment of members of the Board of Directors are carried out in accordance with the recommendation from the Nomination and Remuneration Committee.

The majority of members of the Board of Directors has no less than 5 (five) years of experience in the operational field as Bank's Executive Officer.

Members of the Board of Directors do not give general authority to other party that may lead to transfer of duties and function of the Board of Directors.

---

<sup>\*)</sup> Received approval from OJK on the 28<sup>th</sup> of December 2022 and effective from the 7<sup>th</sup> of January 2023.

All members of the board of directors of Bank Bumi Arta do not hold concurrent positions in Bank Bumi Arta, other banks, non-bank financial institutions, and other companies located within or outside the country.

The majority of the members of the Board of Commissioners of Bank Bumi Arta do not hold concurrent positions in Bank Bumi Arta, other banks, non-bank financial institutions, and other companies located domestically or internationally, except for Ir. Rachmat M.S., MBA who currently serves as a commissioner at PT Surya Husada Investment and I Gst Agung Rai Wirajaya who also currently serves as a director at PT Puri Kuta Beach and as a member of Commission XI of the People's Representative Council of Indonesia (DPR RI).

No Independent Commissioner needs to run a cooling-off period and the last appointment of 2 (two) independent commissioners was during the Annual General Meeting of Shareholders ("GMS") in June 2019 with a term of office up to 2024.

Independent commissioners who are reappointed after serving for 2 years in the term of office it has been determined in a board of commissioner's meeting that the person concerned can still act independently, and the commissioner has stated regarding his independence in Annual General Meeting of Shareholders ("GMS").

b. Duties, Responsibilities, and Authorities of the Board of Directors and the Board of Commissioners

1) Duties, Responsibilities and Authorities of the Board of Directors

Pursuant to the provisions in the Articles of Association of Bank Bumi Arta, the Board of Directors is held responsible for performing its duties for the interest of Bank Bumi Arta. In achieving its goal and objective, the Board of Directors represents Bank Bumi Arta lawfully and directly both inside and outside the Justice Court for all matters and in all events, binds Bank Bumi Arta with other party and other party with Bank Bumi Arta, as well as performs any action related to the management or ownership, but with certain limitation.

## 2. Completeness and Fulfillment of Duties of the Committees

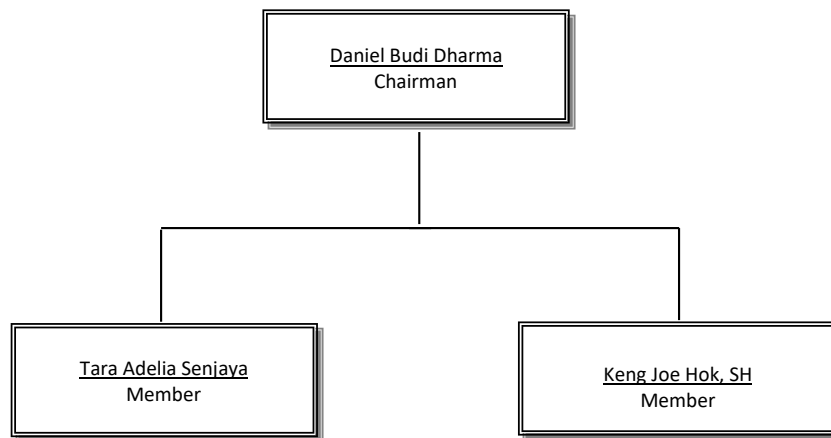

To support the effectiveness of implementation of duties and responsibilities of the Board of Commissioners, the Board of Commissioners has established the Audit Committee, Risk Monitoring Committee and Nomination and Remuneration Committee.

Throughout the year 2022, the Board of Commissioners considered that these committees had carried out their duties properly and optimally. This assessment is based on the periodic reports submitted, input dan recommendations on matters that fall within the scope of duties of the Board of Commissioners and the implementation of the Committee's duties.

a. Audit Committee

1) The Structure, membership, skills and independence of members of the Committee

The Audit Committee was established on June 30, 2006, and commenced effective on July 1, 2006. The structure of the Audit Committee has changed and as from August 1, 2020, the structure of the Audit Committee is as follows :

The structure of the Audit Committee consists of:

- a) Daniel Budi Dharma as the chairman and Vice President Commissioner as Independent Commissioner, who has expertise in banking field.
- b) Tara Adelia Senjaya as Member and Independent Party, who has expertise in finance, accounting, and risk management field.
- c) Keng Joe Hok, SH as Member and Independent Party, who has expertise in legal field.

Expertise of the Audit Committee members based on the curriculum vitae of the committee members from the education and work experience of each committee members.

### 2) Duties and Responsibilities of the Committee

Audit Committee has the following duties and responsibilities :

- a) Performing analysis on financial information to be published by Bank for public and/or the authorities, such as financial statement, projection and other reports related to financial information of the Bank.
- b) Performing analysis on legal compliance with regard to Bank's activities.
- c) Providing independent opinion in the event of dissenting opinions between the management board and the Accountant on the provided service.
- d) Provide recommendations to the Board of Commissioners to be submitted to the General Meeting of Shareholders (GMS) regarding the appointment of Public Accountants and Public Accounting Firm based on :
  - (1) independence of Public Accountant, Public Accountant Firm, and insiders of Public Accountant Firm.
  - (2) the scope of the audit.
  - (3) audit Service Fees.
  - (4) expertise and experience of Public Accountant, Public Accountant Firm and Audit Team from Public Accountant Firm.
  - (5) methodology, techniques, and audit facilities used by Public Accountant and Public Accountant Firm.
  - (6) benefits of fresh eye perspectives that will be obtained through replacement of Public Accountant, Public Accountant Firm and Audit Team from Public Accountant Firm.
  - (7) potential risks for the use of audit services by the same Public Accounting Firm in a row for a long period of time (not later than 3 (three) consecutive reporting years).

- (8) The results of the evaluation of the implementation of the provision of audit services on annual historical financial information by the Public Accountant and Public Accountant Office in the previous period, if any.
- e) To evaluate the conduct of audit services for annual financial information by Public Accountant and/or Public Accountant Firm. Evaluation of the implementation of audit services shall contain at least the following:
- (1) compliance with the conduct of the Audit by the Public Accountant and/or Public Accountant Firm with the applicable Audit Standards.
  - (2) adequacy of fieldwork time.
  - (3) assessment of the scope of services provided and the adequacy of the quotation test.
  - (4) recommendations for improvements provided by Public Accountant and/or Public Accountant Firm
- f) Investigate complaints related to the process of accounting and Bank financial reports.
- g) Performing analysis and providing advices to the Board of Commissioners with regard to conflict of interests potentials in the Bank.
- h) Performing analysis on implementation of audit by internal auditor and monitoring the implementation of follow-ups by the Board of Directors with regard to the findings collected by the internal auditor.
- i) Conducting monitoring and evaluation on audit planning and implementation and monitoring of follow up to audit result in order to assess internal control adequacy, including financial reporting adequacy.

j) Providing recommendation to the Board of Commissioners on the result of monitoring and evaluation on the following :

- (1) performance of duties of the Internal Audit Task Force.
- (2) compliance of the Audit performed by the Public Accounting Firm with the applicable Auditing Standard.
- (3) compliance of financial statement with the applicable auditing standard.
- (4) implementation of follow up by the Board of Directors with regard to the findings collected by the Internal Audit Task Force, Public Accountant and result of monitoring by Financial Services Authority.

to provide recommendations to the Board of Commissioners.

k) Keeping the confidentiality of bank documents, data and information.

3) Authorities of the Committee

In performing its duties, Audit Committee has the following authorities :

- a) Access Bank documents, data, and information on the employees, funds, assets, and Bank resources required.
- b) Communicate directly with the employees, including the Board of Directors and parties running the functions of internal audit, risk management, and accounting in relation to the duties and responsibilities of the Audit Committee.
- c) Involve independent parties outside the members of the Audit Committee required to assist the implementation of duties (if required).
- d) Perform other authorities granted by the Board of Commissioners.

4) Frequency of meeting of the Committee

In fulfilling its duties and responsibilities, the Audit Committee shall carry out conferences/meetings with a minimum of 1 (one) time in 3 (three) months and may hold meetings outside the stipulated schedule when deemed necessary.

5) Committee Work Plan and Realization

During the year 2022, the Audit Committee has :

a) Held 8 (eight) meetings.

Attendance of members of Audit Committee in 2022.

Audit Committee (Date)	Q1		Q2
	23/02/22	11/03 /22	12/05/22

### **3. Implementation of Compliance, Internal Audit and External Audit Function**

#### **a. Compliance Function**

Compliance Function in Bank Bumi Arta is under the responsibility of the Compliance Director and implemented by Compliance Task Force that is independent from the other task forces. Appointment of Compliance Director is the commitment of Bank Bumi Arta to always complying with the laws and regulations, both the regulation issued by Financial Services Authority, Bank Indonesia or other laws and regulations.

The general duty of the Compliance Director is to advise all organizational levels, from the highest level to the operating personnel to comply with the principles of prudential banking. This general duty can be fulfilled in several ways, such as by issuing the circulars, providing advice in several summits and work meetings.

The Compliance Director must prevent the Board of Directors of the Bank from making policy and/or decision that violates Financial Services Authority, Bank Indonesia Regulation and other applicable laws and regulation, which may harm the continuity of Bank's business.

Bank's Compliance Function includes measures for:

- 1) Realizing the development of Compliance Culture at all organizational levels and Bank's business activities;
- 2) Managing Compliance Risk faced by the Bank;
- 3) Ensuring that the policy, provision, system and procedures, as well as business activities carried out by the Bank, have complied with Financial Services Authority, and the applicable laws and regulations.
  
- 4) Ensuring Bank's compliance with the commitment made between the Bank and Financial Services Authority and/or other supervisory authorities.

In managing Compliance Risk that the Bank may face, the Compliance Task Force performs identification, measurement, monitoring and controlling of Compliance Risk based on the reports received from related units, which include functional activities related to lending, treasury and investment, operational and service, trade financing, funding and debt instruments, Information System Technology and Management Information System, as well as Human Resource Management.

Compliance Director gives approval for Report on Compliance Risk made by the Compliance Task Force. Report on Compliance Risk will be submitted to the Risk Management Task Force to prepare Report on Risk Profile in Bank Bumi Arta.

In order to ensure that the Bank has complied with Financial Services Authority, Bank Indonesia Regulation and other applicable laws and regulations, Compliance Director-together with the Compliance Task Force- coordinate with the relevant work units / Compliance and Risk Management Division to ensure the availability and conformity of the

guidelines, system and procedures in each work unit to Financial Services Authority, Bank Indonesia Regulation and the applicable laws and regulations for the Principles of Prudential Banking.

In order to monitor and maintain Bank's compliance with all agreements and commitments made between the Bank and Financial Services Authority or other supervisory authorities, Compliance Director performs monitoring of implementation of agreement, fulfillment of commitment, Bank's commitment to obey the command and prohibition from Financial Services Authority or other supervisory authorities.

The Bank has ensured the Bank's compliance with the commitments made by the Bank to the Financial Services Authority and/or other competent supervisory authorities in accordance with the predetermined target date.

The Compliance Director has the following duties and responsibilities :

- 1) Formulating the strategy to encourage the development of Bank's Compliance Culture

The general duty of Compliance Director is to advise all organizational levels, from the highest level to the operating personnel to comply with the principles of prudential banking for the development of Bank's Compliance Culture.

This general duty can be fulfilled in several ways, such as by issuing the circulars, providing advices in several summits and work meetings.

- 2) Proposing the compliance policy or compliance principles to be stipulated by the Board of Directors.

The Compliance Director issues Decree of the Board of Directors on Compliance Analysis for monitoring of all provisions of fund in the form of lending (exposure group > 5 billion) and gives approval for Compliance Analysis made by the Compliance Task Force.

- 3) Specifying compliance system and procedures (Compliance Guidelines).

Compliance Director specifies the Compliance Guidelines that is a guidelines for the implementation of Compliance Function to perform properly. This guidelines is specified according to the duties and responsibilities of Compliance Director pursuant to Financial Services Authority Regulation No. 46/POJK.03/2017 of July 12, 2017 on Implementation of Compliance Function for Commercial Banks.

- 4) Ensuring that the policy, provision, system and procedures, as well as business activities carried out by the Bank, have complied with Financial Services Authority regulation and the provisions of the laws and regulations.

In order to ensure that the Bank has complied with Financial Services Authority, Bank Indonesia Regulation and other applicable laws and regulations for Principles of Prudential Banking, Compliance Director - together with the Compliance Task Force-coordinate with the relevant work units/Compliance and Risk Management Division to ensure the availability and conformity of the guidelines, system and procedures in each work unit to Financial Services Authority, Bank

Indonesia Regulation and the applicable laws and regulations for the Principles of Prudential Banking.

5) Minimizing Bank's Compliance Risk.

In order to minimize Bank's Compliance Risk, the Compliance Director gives approval for Report on Compliance Risk made by the Compliance Task Force and provides advices for the management board, both verbally and in written by sending an Internal Memo, in the event that some improvements are necessary.

6) Taking preventive measures to avoid the policy and/or decision made by the Board of Directors of the Bank violating Financial Services Authority regulation and the applicable laws and regulations.

The Compliance Director must prevent the Board of Directors of the Bank from making policy and/or decision that violates Financial Services Authority, Bank Indonesia Regulation and other applicable laws and regulations, which may harm the continuity of Bank's business.

7) Performing other duties related to Compliance Function.

The Compliance Director in order to monitor and maintain Bank's compliance with all agreements and commitments made between the Bank and Financial Services Authority or other supervisory authorities, Compliance Director performs monitoring of implementation of agreement, fulfillment of commitment, Bank's commitment to obey the command and prohibition from Financial Services Authority or other supervisory authorities.

The Compliance Director to fulfill of its duties and responsibilities, supervises Compliance Task Force that is independent from the operational task force.

Duties and responsibilities of the Compliance Task Force are as follows :

- 1) Taking measures for supporting the development of Compliance Culture in all Bank's business activities at all organizational levels.
- 2) Performing identification, measurement, monitoring and controlling of Compliance Risk with reference to Financial Services Authority regulation on the Implementation of Risk Management for Commercial Banks.
- 3) Assessing and evaluating the effectiveness, adequacy and conformity of policy, provision, system and procedures in the Bank to the applicable laws and regulations.
- 4) Making a review and/or recommending update and improvement of Bank's policy, provision, system and procedures to comply with Financial Services Authority, Bank Indonesia regulation and the applicable laws and regulations.
- 5) Putting efforts to ensure that the policy, provision, system and procedures, as well as business activities carried out by the Bank, have complied with Financial Services Authority, Bank Indonesia regulation and the applicable laws and regulations.
- 6) Assisting the fulfillment of duties of Compliance and Risk Management Head Division in monitoring and maintaining Bank's compliance with all agreements and commitments made between the Bank and Financial Services Authority/other authorities including monitoring of the follow-up the results of supervision/examination of the Financial Services Authority/other Authorities by coordinating with other work units.

- 7) Prepare and submit the Bank's Compliance Risk Report to the Risk Management Unit in order to develop the Bank's risk profile.
- 8) Follow up on findings and recommendations from the Internal Audit Unit, Operational Risk Unit, external auditor, and the results of supervision by the Financial Services Authority/Bank Indonesia and the results of supervision by other authorities for the improvement of the Compliance Task Force.
- 9) Conducting a Compliance Review in order to performing monitoring of all provisions of fund in the form of lending (exposure group > 5 billion Rupiah) including credit products related to sustainable finance.
- 10) As a member of the Risk Management Committee, the Bank is responsible for providing recommendations to the Bank's Directors in preparing the Bank's Risk Management policies as well as changes, corrections or improvements the implementation of Risk Management and determining (justification) on matters related to business decisions that deviate from normal procedure (irregularities).
- 11) Check a warning memo to the relevant parties for the late submission of reports or violations which results in the Bank being imposed a fine by external parties.
- 12) Implementing the principles of Good Governance in every business activity of the Bank at all levels or levels of the organization.
- 13) Implementing an Anti-Fraud Strategy and reporting or not hiding known fraud incidents, providing direction and raising awareness for fraud risk control to staff.
- 14) Carry out other task assigned by the Head of the Compliance and Risk Management Division as long as it is within the scope of duties and functions as the Compliance Task Force.

Result of monitoring of the existing procedures or policy in 2021 indicates that the Bank has complied with the principles of prudential banking as required by Financial Services Authority, Bank Indonesia, the applicable laws and regulations, and by taking into account Bank's business activities, Bank's exposure to loss and Compliance Risk is considered Low.

Bank's Compliance Track Record is proven good and the principles of prudential banking in carrying out its business activities have been the fundamental attitude of Bank Bumi Arta. This fundamental attitude is realized by putting its best efforts to comply with the principles of prudential banking specified by Financial Services Authority, Bank Indonesia regulation and the applicable laws and regulations. There are minor violations to the regulation that can be improved by the Bank, and the Bank has implemented almost all applicable financial standards and codes of ethics, which in the implementation have not been carried out optimally.

### b. Internal Audit Function

Internal Audit Function in Bank Bumi Arta is performed by the SKAI, which is also known as the Internal Audit Task Force ("SKAI"). IATF ("SKAI") is an independent institution from the operational task force that is responsible to the President Director and communicates directly to the Board of Commissioners and the Audit Committee. The Chairman of SKAI is Lauw Janto, who is appointed the Chairman of SKAI by Decree of the Board of Directors No. 009/KEP/IV/99/Dir tanggal 13 April 1999 and finally the Decree of the Board of Directors No. DK/Pers/069/XII/2021/Dir tanggal 30 Desember 2021 having his Degree from Tarumanegara University, in Accounting Department, Faculty of Economics in 1991 and has acquired Risk Management Certification Level 3 ("BSMR") and

International Certificate in Banking Risk and Regulation (GARP) in 2009, *Qualified Internal Auditor (QIA)* in the year of 2017 and *Certifies Anti Fraud Manager (CAFM)* in 2021.

The Chairman of SKAI is appointed and dismissed by the President Director upon approval from the Board of Commissioners.

Internal Audit by Internal Audit Working Unit refers to the Financial Services Authority Regulation No. 1/POJK.03/2019 dated January 28, 2019 concerning the Implementation of the Bank Internal Audit Function in Commercial Banks, Professional Internal Audit Standards as stipulated by the association of the internal audit profession, guidelines for internal audit of PT Bank Bumi Arta Tbk., 2022 work plan of PT Bank Bumi Arta Tbk., and the 2022 work plan of SKAI Pt Bank Bumi Arta Tbk.

In general, the scope of duties of SKAI includes any independent auditing activity and assessment on adequacy and effectiveness of the Internal Control System, Risk Management, Good Corporate Governance, Information Technology and all business activities by the Bank, as well as the quality of performance of the management board in fulfilling its duties and responsibilities.

In 2022, SKAI, in accordance with the work plan, has conducted an annual audit of operational units at 8 (eight) branch offices, 13 (thirteen) sub-branch offices, and 8 (eight) functional units. In addition, SKAI has also conducted mandatory audits required by Bank Indonesia (BI), namely audits for SKN BI, BI-RTGS, BI-SSSS, BI-ETP and KPDHN.

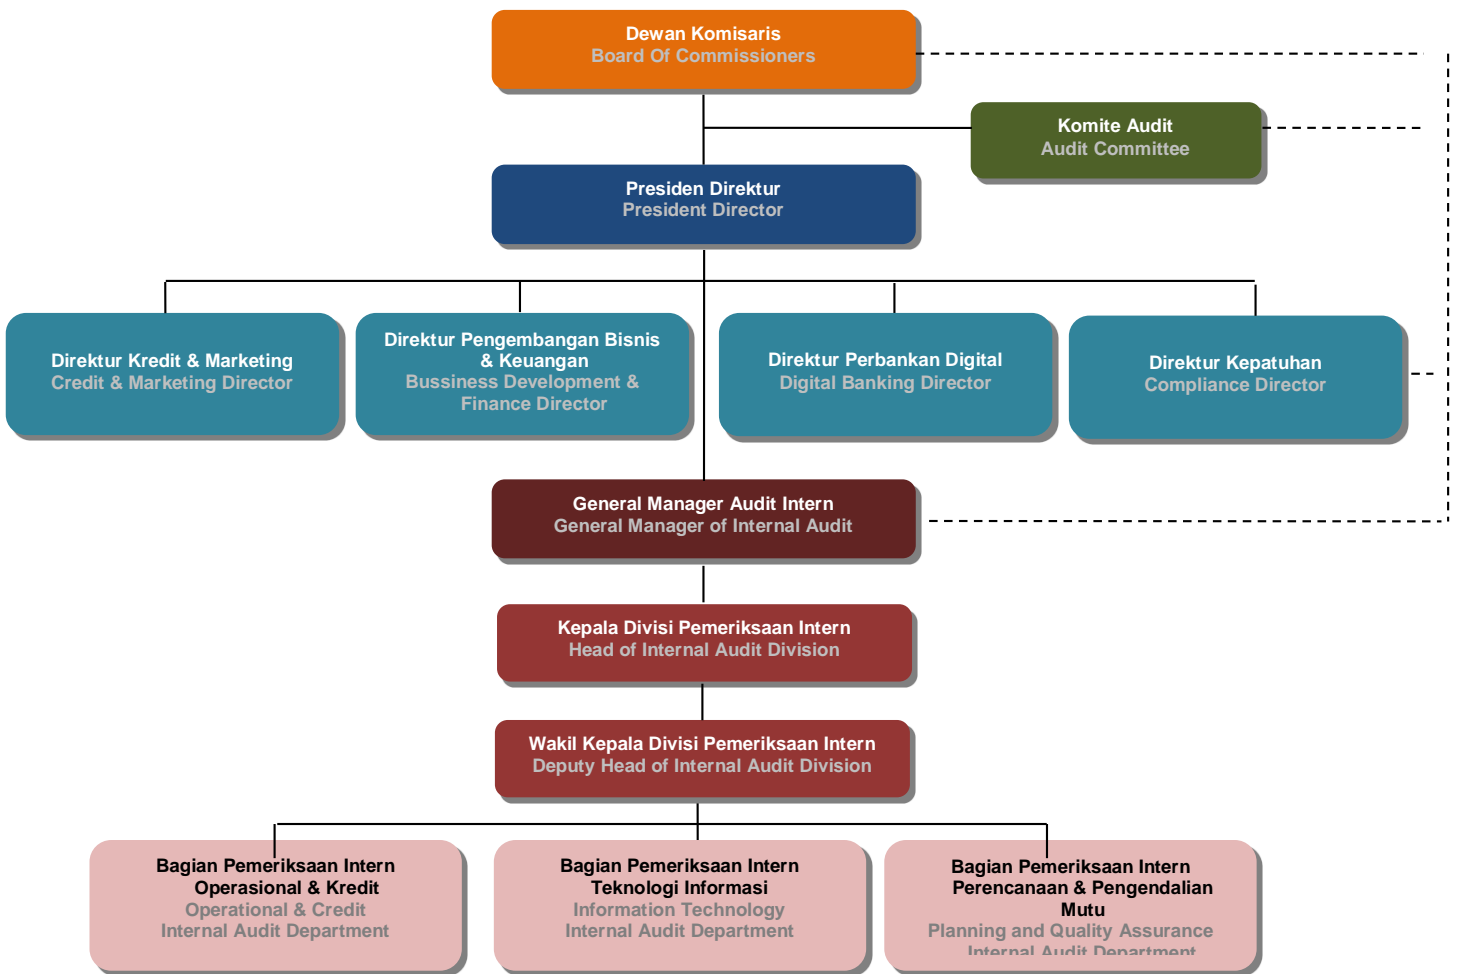

The findings and comments of the Internal Audit Working Unit examination is reported to the President Director, the Board of

Commissioners, the Audit Committee, the Director of Compliance and the Auditee for follow-up improvements. The follow-up improvements are made by the Auditors monitored by the Risk Operational Unit in the Head Office and Branch Office. SKAI has also reported the Implementation and Principles of Internal Audit Results to the Financial Services Authority.

To develop the internal auditor's knowledge, improve skills of the internal auditors and to anticipate any new developments in the banking world, SKAI in an ongoing basis continue to provide training and education to the internal auditors, both internally and externally. In 2022 members of SKAI has attended 30 (thirty) training sessions in the form of on the job training, in-house training, socialization, workshops and seminars.

The effectiveness of the internal audit has been running quite well, among others: internal audit can assist the implementation and improvement of governance, risk management, and internal control systems through improvements to the organization's core business processes, which include General Management, Plan Management Work, Credit Management, Deposit Management, Banking Services Management, Other Operational Management, Accounting, Reporting and General Administration, APU and PPT; internal audit has carried out its function in assisting management to achieve company goals by providing information needed by management and being able to detect audit findings which then provide recommendations for the process of improving organizational performance; and internal audit consistently develops knowledge and improves the expertise of internal auditors, so that internal auditors can have adequate understanding and knowledge in carrying out internal audits.

ORGANIZATION STRUCTURE OF SKAI

### c. External Audit Function

The External Audit Function in Bank Bumi Arta implemented by the Public Accounting Firm (PAF) Tanudiredja, Wibisana, Rintis and Partners, members of the PricewaterhouseCoopers (PwC) and Public Accounting Lucy Luciana Suhenda, which is registered in Financial Services Authority.

The duties of the Public Accounting Firm (PAF) are to carry out the audit according to the auditing standard specified by the Institute of Indonesian Chartered Accountants (the "generally-accepted auditing standard").

The objective of the audit is to express the opinion on the fairness of the financial statement for the year ending on December 31, 2021, in all material aspects according to the generally-accepted accounting principles in Indonesia.

The external audit implementation and the Bank's compliance with the provisions regarding the relationship between the Bank, public accountants and the Financial Services Authority have gone well.

The implementation of Public Accounting Firm audit shall also refer to :

- 1) Regulation of Bank Indonesia No. 3/22/PBI/2001 dated December 13, 2001 on Transparency of Bank Financial Condition.
- 2) Financial Services Authority Regulation No. 13/POJK.03/2017 dated March 27, 2017 concerning the use of public accounting services and public accounting firms in financial services activities
- 3) Financial Services Authority Circular Letter No. 37/POJK.03/2019 dated December 19, 2019 concerning Transparency and Publication of Bank Reports

- 4) Financial Services Authority Circular Letter No. 43/SEOJK.03/2016 dated September 28, 2016 on Transparency and Publication Report on Conventional Commercial Banks.
- 5) Financial Services Authority Circular Letter No. 9/SEOJK.03/2020 dated June 30, 2020 concerning Transparency and Publication Report on Conventional Commercial Banks.

The External Audit Function is implemented through the implementation of the Bank's Financial Statements Audit by the Public Accounting Firm and Public Accountant, in order to ensure and believe that the Bank's Financial Statements have been prepared and presented in a quality manner, free from material misstatements, whether caused by error or fraud, forming and express an opinion on the fairness of the Bank's Financial Statements and test the effectiveness of the Bank's internal controls.

In general, the scope of external audit consists of :

- 1) Consideration of the internal control for financial reporting, as the basis for determining audit procedures according to the existing condition but is not intended to provide opinion on the effectiveness of Company's internal control for its financial reporting.
- 2) Examination on a test basis, evidences that support the number and disclosure in the financial statement.
- 3) Discussion with Company's management board and the audit committee to find out fraud or suspected fraud that affects the company.
- 4) Assessment of the implemented accounting principles and significant estimation made by the management board.
- 5) Assessment of presentation of the overall financial statement.

#### 4. Implementation of Risk Management and Internal Control System

In accordance with the framework of good corporate governance, Bank Bumi Arta has implemented the integrated Risk Management Structure, which is a means in determining the strategy, organization, policy and guidelines to ensure that all risks faced by the Bank are identified, measured, monitored and controlled properly.

In line with the road map specified by Bank Indonesia according to Basel II Capital Accord, in 2022 Bank Bumi Arta keeps on improving its Good Corporate Governance, policy, procedures and risk management process, as well as keeps on improving the competence of its human resource.

Risk Management Process that is implemented by Bank Bumi Arta refers to Regulation of the Financial Services Authority No. 18/POJK.03/2016 dated March 16, 2016 and Financial Services Authority Circular Letter No. 34/SEOJK.03/2016 dated September 1, 2016, on the Implementation of Risk Management for Commercial Banks.

One of the implementations of risk management is the arrangement of Bank's risk profile that is submitted to Financial Services Authority on quarterly basis. Such report on risk profile indicates the inherent risk in Bank's business activities, including the Quality of Implementation of Risk Management for each risk type.

Assessment of risk profile in Bank Bumi Arta is made on 8 (eight) types of risks, i.e. Credit Risk, Market Risk, Liquidity Risk, Operational Risk, Legal Risk, Reputational Risk, Strategic Risk, and Compliance Risk.

The result of composite risk in Bank Bumi Arta per December 31, 2021 is Low to Moderate, which is a combination of the Low to Moderate Aggregate Inherent Risk Low to Moderate and the Fair Quality of Implementation of Satisfactory Risk Management.

a. Credit Risk

- 1) Active Supervision by the Board of Directors and the Board of Commissioners.

The Board of Directors and the Board of Commissioners elaborate and evaluate Credit Risk policy and strategy, as well as perform monitoring of work plan of the related unit.

The Bank has established the Credit Committee in each Branch Office and Credit Committee in the Head Office. Credit Committee is a work team that consists of credit officers. The main duties of this committee are to assess a credit proposal and to make credit decision.

- 2) Adequacy of Policy, Risk Management Procedures and Risk Limitation

The Bank has the policy and procedures for Credit Risk control, such as Credit Policy of Bank Bumi Arta ("KPBB"), Buku Pedoman Kredit dan Prosedur (BPKP) Guide Book of Risk Management ("BPMR") and related Circulars.

Limitation is available, such as limit of assets portfolio composition and concentration level, limit of credit quality provision and adequacy of reserve, Mortgage of Deed of Grant ("APHT") and limit of financial ratio that are always adjusted to the business growth and credit expansion plan.

3) Adequacy of Identification, Measurement, Monitoring and Risk Management, as well as Risk Management Information System

The Bank makes analysis on business capital requirement, financial condition of the prospective borrowers, cash flow projection, etc. Appraisal has been carried out by Credit Administration Department/ Appraisal Department.

The Bank has a credit scoring system for the outstanding debt with a certain credit limit.

Independent loan review function has been fulfilled by the Review Department in the Head Office according to the Lending Approval Authority Limit ("BWMK").

The Bank has a Remedial Department in the Head Office that regularly monitors arrears and overdraft debtors and finds a solution for potentially non-performing debtors or non-performing debtors. Remedial Department in the Head Office also make analysis and provides recommendation/opinion for settlement of non-performing loans and Foreclosed Collateral ("AYDA") for the Board of Directors, as well as performing follow up for settlement of non-performing loans and the Foreclosed Collateral. The Bank has appointed a staff member of the pension credit administration that will carry out remedial functions.

Report on credit progress, including Credit Risk reporting, is submitted regularly to the Board of Commissioners and the Board of Directors.

### 4) Internal Control System

Credit Risk Control is performed by determining a definite organizational structure that defines the limit of authority and responsibility of each work unit and the availability of regular audit by Operational Risk Unit and monitoring by SKAI.

### b. Market Risk

#### 1) Active Supervision by the Board of Directors and the Board of Commissioners

The Board of Directors and the Board of Commissioners have made agreement on Market Risk policy and strategy and performed an evaluation on Market Risk management policy in the meeting of Asset & Liability Management Committee (ALCO), at least once in a month.

#### 2) Adequacy of Policy, Risk Management Procedures and Risk Limitation

The Bank has the policy and strategy for Market Risk control, such as Buku Pedoman Manajemen Risiko (Guide Book of Risk Management - "BPMR") and Circulars on Market Risk, which determine the provision for determination of interest rate for Third Party Loans.

Limitation is available, such as volume limit and limit of portfolio composition, limit of potential interest loss risk in banking book, limit of sensitivity to market risk, NOP limit, intraday limit, cut loss limit, dealer limit, etc.

#### 3) Adequacy of Identification, Measurement, Monitoring and Risk Management, as well as Risk Management Information System

Identification, measurement and Market Risk measurement are carried out using market interest growth and foreign exchange rate as well as performing monitoring using repricing gap to identify Risk

Sensitivity Asset (RSA) position to Risk Sensitivity Liabilities (RSL) on a periodical basis.

Every month the Bank performs measurements Interest Rate Risk in the Banking Book by using the Net Interest Income Gap, where the mapping positions of assets, liabilities and off-balance sheet prepared on the assumption repricing time that has been determined by the Bank.

The report related with Market Risk is reported in ALCO meeting and to Board of Directors at least once in a month.

#### 4) Internal Control System

Market Risk Control is performed by determining a definite organizational structure that defines the limit of authority and responsibility of each work unit and and the availability of regular audit by SKAI.

#### c. Liquidity Risk

##### 1) Active Supervision by the Board Directors and the Board of Commissioners

The Board of Directors and the Board of Commissioners have made agreement and performed evaluation on the policy and strategy for Liquidity Risk in the meeting of Asset & Liability Management Committee (ALCO) at least once in a month.

The Bank has established the Treasury Credit Committee that is in charge and responsible for determining the market, instrument and transaction with the eligible counterparty.

### 2) Adequacy of Policy, Risk Management Procedures and Risk Limitation

The Bank has proper policy and procedures for management of Liquidity Risk as set forth in (Guide Book of Risk Management ("BPMR") and the provision set forth in the Circular for Guidelines to Liquidity in Bank Bumi Arta.

Limitation is available, such as limit of composition and asset, liabilities, and administrative account transaction, limit of concentration and asset and liabilities, limit of sensitivity to funding needs, and limit of other liquidity ratio.

### 3) Adequacy of Identification, Measurement, Monitoring and Risk Management, as well as Risk Management Information

System Identification, measurement and monitoring of Liquidity Risk are carried out through analysis on the maturity profile, cash flow, growth of Third Party Loans and assets and Liquidity ratio. The Bank makes regular analysis on Third Party Loans. Measurement of Liquidity Risk has been adjusted to the external and internal condition.

Report that is related to liquidity comprehensively is submitted to the Board of Directors on a daily basis and in ALCO meeting.

### 4) Internal Control System

### 6. Bank's Strategic Plan

The strategic plan of Bank Bumi Arta is prepared in the form of a corporate plan and a business plan in accordance with the Bank's vision and mission. The preparation of the Corporate Plan is guided by the Financial Services Authority Regulation No. 55/POJK.03/2016, Circular Letter of the Financial Services Authority No. 13/SEOJK.03/2017 concerning Implementation of Good Corporate Governance for Commercial Banks and Financial Services Authority Regulation No. 12/SEOJK.03/2021 concerning Commercial Banks, as well as the Business Plan Based on the Financial Services Authority Regulation No. 5/POJK.03/2016 dated 26 January 2016 regarding the Plan the Bank's Business and the provisions of the Financial Services Authority Circular Letter No. 25/SEOJK.03/2016 dated 14 July 2016 concerning Commercial Bank Business Plans.

Corporate Plan and Business Plan of Bank Bumi Arta is arranged to be realistic, comprehensive and achievable by taking into account the composite risk level of Risk Control System (RCS) — *Strategic Risk*, principles of prudential banking and responsive to internal and external changes that may affect the continuity of Bank's business.

Arrangement of Business Plan of Bank Bumi Arta is based on an analysis of the external environment such as macroeconomics, banking business developments, as well as IT developments and analysis of the internal environment such as credit developments and developments in third party funds, network and services, organization, human resources, and information technology.

Arrangement of Business Plan of Bank Bumi Arta is based on the policy and strategy of Bank Bumi Arta, such as management policy, risk management

and compliance policy, business development strategy, strategy for anticipation of external change, human resource development strategy and remuneration policy, and it is supported by SWOT Analysis, macro and micro analysis, and consideration of the external and internal condition as well as national banking condition.

The Board of Directors have communicated the Bank's business plan to the controlling shareholders and to all levels of the organization in the Bank and has implemented all plans and targets set effectively.

To ensure the realization of the arranged plan, achievement of midterm and short-term target in Corporate Plan and Bank's Business Plan, the Board of Directors regularly monitor the achievement. Result of monitoring of Bank's Business Plan is reported to Financial Services Authority in the form of Quarterly Report on Realization of Business Plan.

The Board of Commissioners also perform supervision on the implementation of Bank's Business Plan through the report on Bank's Business Plan, which is submitted by the management board and Meeting of the Board of Commissioners, to evaluate and provide direction for the Board of Directors. Result of supervision of Bank's Business Plan by the Board of Commissioners is reported to Financial Services Authority in the form of Biannually Report on Supervision of Business Plan.

The achievement of the Bank's strategic plan as stipulated in the Bank's Business Plan is directed at efforts to achieve 3 (three) targets/main focus of business activities, namely increasing credit growth, maintaining NPL levels and increasing third party funds.

To increase credit growth, the Bank will continue to explore opportunities in sectors that have positive prospects with measurable levels of risk and focus on releasing credit to borrowers with promising business prospects and have proven resilience in facing various economic cycles. In addition, the Bank will also continue to develop the commercial segment financing through a value chain financing approach, both distributor financing and supplier financing, as well as focusing on companies in developing industrial sectors.

In maintaining the Non Performing Loan (NPL) level, the Bank will carry out preventive measures, among others, the Bank will further monitor the use of debtor credit and the development of the debtor's business. If there is a decrease in the debtor's business which causes difficulties with payment of obligations, the Bank will coordinate with the debtor immediately, in order to resolve any problems that occur. In addition, the collection process will continue to be improved and refined continuously.

Meanwhile, to support the achievement of the target of Third Party Funds (TPF), the Bank has planned initiatives, among others, the Bank will create products or marketing programs for TPF that are more focused on "Low Cost Fund", the variety of products or TPF programs will be increased to support the balance of the composition of TPF High Cost and Low Cost which is better and also the structure of the time frame must have a maturity that is spread out and balanced so that it becomes better.

In addition, the Bank will also develop e-Channel products, because Low Cost Funds cannot develop without supporting networks and technology. For example, those that have been and are being initiated are Mobile Banking, Individual Internet Banking, Virtual Accounts.

Bank Bumi Arta will develop digital banking services including by developing its capacity of technology based banking that is strong, modern, safe, userfriendly, efficient and attractive to millennials and Gen-Z. Bank Bumi Arta will utilize modern technology including cutting-edge data analytics and banking services that can be accessed through an application any time and in any location.

## II. Report on Self-Assessment on Implementation of Corporate Governance

Result of self-assessment on the implementation of Corporate Governance of Bank Bumi Arta in 2022 is as follows :

SELF ASSESSMENT RESULT ON CORPORATE GOVERNANCE IMPLEMENTATION	
Rank	Definition of Rank
2	The management of Bank Bumi Arta has conducted a generally good implementation of Corporate Governance. This is reflected in the adequate fulfillment of Corporate Governance principles. If there is a weakness in the implementation of Corporate Governance principles, the weaknesses are generally less significant and can be resolved by the Bank Management.

According to the analysis on all criteria/indicators for assessment of Corporate Governance, it is concluded that :

### A. Governance Structure

1. Positive factors in Bank governance structure aspect :
  - a. Fulfillment of Duties and Responsibilities of the Board of Directors
    - Number, composition, integrity and competence of members of the Board of Directors are in accordance with the size and complexity of Bank business and have complied with the applicable regulation.
    - The Board of Directors has a work guidelines and code of conducts.
    - The Bank has appointed Mr. Aditya Putra Utama as Director of Digital Banking, and Mr. John David Nehemia Engelen as Compliance Director effective December 16, 2022.

- b. Fulfillment of Duties and Responsibilities of the Board of Commissioners
- Number, composition, integrity and competence of member of the Board of Commissioners is in accordance with the size and complexity of Bank business and have complied with the applicable regulation.
  - The Board of Commissioners has a work guidelines and code of conducts.
  - Mr. I Gst Agung Rai Wirajaya has received fit and proper test approval from the Financial Services Authority as Bank Commisioner on December 28, 2022.
- c. Completeness and Fulfillment of Duties of the Committee
- Number, composition, integrity and competence of members of the Committees are in accordance with the size and complexity of Bank business and have complied with the applicable regulation.
  - Any Independent Party member of the Committee does not have any financial, managerial, share ownership and/or family relationship with the Board of Commissioners, the Board of Directors and/or the Majority Shareholders or relationship with the Bank, which may affect his capability to act independently.
- d. Handling of Conflict of Interests
- The Bank has the policy, system and procedures of settlement of conflict of interests set forth in company's regulation, BBA Credit Policy (KPBBA) and Bank Circular.
- e. Implementation of Bank's Compliance Function
- Compliance Task Force is independent from the operational task force
  - Appointment of Director in charge of Compliance Function is in accordance with Financial Services Authority Regulation.

f. Implementation of Internal Audit Function

- Bank has the Bank Internal Audit Function Standard (“SPFAIB”).
- Internal Audit Task Force SKAI/DPI is independent from the operational task force.

g. Implementation of External Audit Function

Appointment of auditing work to the Public Accountant and Public Accounting Firm has met the specified aspects.

h. Implementation of Risk Management and Internal Control System

- The Bank has a proper organizational structure to perform Risk Management and internal control, such as the SKAI/DPI, Risk Management Task Force (“SKMR”) and Risk Management Committee, as well as Compliance Task Force.
- The Bank has proper policy, procedures and risk limit as set forth in the Guidelines to Risk Management (“BPMR”).

i. The provision of fund to the Related Parties and the provision of Large Funds (Large Exposures)

The Bank has sufficient policies, systems, and procedures for the provision of funds to related parties and large exposures, as stated in the Policy of Legal Lending Limit (*BMPK*) and Financing Authority Limit (*BWMK*).

j. Transparence of Bank’s Financial and Non-Financial Condition, Report on Implementation of Good Corporate Governance and Internal Reporting

- The Bank has the policy and procedures for implementation of transparence of financial and non-financial condition.

- The Bank has made the Report on Implementation of Corporate Governance at the end of each financial year with a scope that is in accordance with the applicable provisions.
- Availability of proper internal reporting and accurate and timely information.

k. The Bank's Strategic Plan

- The Bank's strategic plan has been set forth in the form of a Corporate Plan and Business Plan in accordance with vision and mission of the Bank.
- The Bank's strategic plan is fully supported by the owner, as reflected in owner's commitment and efforts in strengthening Bank's capital.
- The Bank has increased its paid-up capital through a mechanism of capital increase in the context of rights issue (PMHMETD II).

2. Negative aspects in Bank's governance structure are:

Transparency of Bank's Financial and Non-Financial Condition, Report on Implementation of Good Corporate Governance and Internal Reporting

A reliable information system and proper IT security system are available, but improvement is necessary for the human resource.

The need for HR competencies is always changing, due to the rapid development of digitalization so it is necessary to increase HR competencies to create reliable security.

### B. *Governance Process*

#### 1. Positive factors in Bank's governance process are :

##### a. Fulfillment of Duties and Responsibilities of the Board of Directors

- The Board of Directors manages the Bank in accordance with its authority and responsibilities as specified in the Articles of Association and the applicable laws and regulations.
- The Board of Directors has followed up audit findings and recommendation from the SKAI/DPI, external auditor and result of supervision by Financial Services Authority and/or result of supervision by other authorities.
- There is no intervention of the owner in the fulfillment of duties of the Board of Directors that may interfere with Bank's operational activities.

##### b. Fulfillment of Duties and Responsibilities of the Board of Commissioners

- Fulfillment of duties and responsibilities of the Board of Commissioners has satisfied the principles of Good Corporate Governance and has been performed effectively.
- There is no intervention of the owner in the fulfillment of duties of the Board of Commissioners that may interfere with Bank's operational activities.

##### c. Completeness and Fulfillment of Duties of the Committee

- The implementation of the duties of committees has been effective. The Nomination and Remuneration Committee has conducted the remuneration evaluation.
- Result of committee meeting on issues under Committee's concern has been presented in a memorandum for the Board of Commissioners.

- There is no intervention of the owner in the fulfillment of duties of the Committee.

d. Handling of Conflict of Interests

There is no conflict of interests that disadvantages or decreases Bank's profit.

e. Implementation of Bank's Compliance Function

- Director in charge of Compliance Function and Compliance Task Force has fulfilled his duties according to the applicable provisions.
- The Board of Directors has approved Bank's compliance policy and communicated all policies, guidelines, systems and procedures to the relevant organization level.
- The Bank has followed up the findings of the Financial Services Authority in accordance with the target time.

f. Implementation of Internal Audit Function

- The Bank has implemented internal audit function effectively on all aspects.
- The Bank performs regular review on the effectiveness of fulfillment of duties of SKAI/DPI and its compliance with SPFAIB by external parties once every three years.
- There is no violation in the realization of audit plan by SKAI/DPI Bank.
- SKAI/DPI has performed the supervisory function independently for an adequate task scope and in accordance with the specified plan, implementation and monitoring of audit result.

g. Implementation of External Audit Function

- Appointment of Public Accountant and Public Accounting Firm is carried out by the Board of Directors with the authority granted by the General Meeting of Shareholders on recommendation from the Audit Committee through the Board of Commissioners.
- Public Accountant has fulfilled the audit independently and professionally.
- Public Accountant has reported audit result and Management Letter to Financial Services Authority.

h. Implementation of Risk Management and Internal Control System

- The Board of Directors has arranged and evaluated Risk Management policy as set forth in the Guidelines to Risk Management (“BPMR”), ensured the implementation of improvement measures of issues or violation found by the SKAI/DPI, as well as developed a Risk Management culture at all organizational levels.
- The Board of Commissioners has approved and evaluated Risk Management policy and evaluated the accountability of the Board of Directors and provided guidance for improvement of implementation of Risk Management as set forth in the Appeal/Memorandum of the Board of Commissioners to the Board of Directors.

i. Lending to Related Party and Large Exposure Lending

- The Bank has ensured that lending to related party and large exposure lending has been in accordance with the principles of prudential banking.
- The making of decision on lending has been made independently by the Board of Management without any intervention of related party and/or other parties.

- j. Transparency of Bank's Financial and Non-Financial Condition, Report on Implementation of Good Corporate Governance and Internal Reporting
- The Bank has transparently presented its financial and non-financial condition to the stakeholders, including by publishing its quarterly Condensed Financial Statement, and has reported it to Financial Services Authority or the stakeholders in accordance with the applicable provisions.
  - The Bank has transparently provided information on Bank's product in accordance with Bank Indonesia and Financial Services Authority regulations on transparency of Bank Product Information and the Use of Customer.
  - The Bank has transparently informed the procedures for customer complaint and settlement of dispute to the customers according to Bank Indonesia and Financial Services Authority regulations on Customer Complaints and Banking Mediation.
  - The Bank has drawn the Report on Implementation of Corporate Governance with a scope that is in accordance with the applicable provisions and has presented data and information in accordance with the findings of audit by Financial Services Authority.
- k. Bank's Strategic Plan
- Bank's Strategic Plan has been approved by the Board of Commissioners.
  - The Board of Directors has communicated Bank's Business Plan to all shareholders and to all organizational levels in the Bank.
  - The arrangement and submission of Bank's Business Plan have followed the guidance set forth in Bank Indonesia regulation on Bank's Business Plan and have considered the external and internal factors that may affect the performance of Bank's business, principles

of prudential banking, implementation of Risk Management and sound banking principles.

- The Board of Commissioners has performed supervision of implementation of Bank's Business Plan.

2. Negative factors of the aspect of Bank governance process are :

Application of the Risk Management including the Internal Control System

The Bank has implemented sufficient internal control system, although in practice improvements are still needed. This happens because the maker, checker and approval functions are still not executed properly.

**C. Governance Outcome**

1. Positive factors in Bank's governance outcome aspect are :

a. Fulfillment of Duties and Responsibilities of the Board of Directors

- The Board of Directors has reported its accountability in fulfilling its duties to the shareholders in the General Meeting of Shareholders ("RUPS").
- The Bank has improved its payroll system and procedure.
- Result of meeting of the Board of Directors has been presented in the minutes of meeting and documented properly.
- The Board of Directors has disclosed share ownership, financial and family relationship, remuneration and other facilities as well as the owned shares option in the Report on Implementation of Corporate Governance.

- There is no intervention of the owner on the composition and/or fulfillment of duties of the Board of Commissioners that may interfere with Bank's operational activities.
- b. Fulfillment of Duties and Responsibilities of the Board of Commissioners
- Result of meeting of the Board of Commissioners has been provided in a minutes of meeting and has been documented properly.
  - The Board of Commissioners has disclosed share ownership, financial and family relationship, remuneration and other facilities as well as the owned shares option in the Report on Implementation of Corporate Governance.
  - There is no intervention of the owner on the composition and/or fulfillment of duties of the Board of Commissioners that may interfere with Bank's operational activities.
- c. Completeness and Fulfillment of Duties of the Committee
- Summary of Committee meeting has been documented properly and has been supplied with opinions of the participants of meeting.
  - The existing Committees have provided recommendation for the Board of Commissioners.
- d. Handling of Conflict of Interests
- Bank's operational activities are free of intervention of the owner/related party/other parties that may cause conflict of interests that may disadvantage or decrease Bank's profit.
- e. Implementation of Bank's Compliance Function
- The Bank has delivered the implementation principal report of the duties of the Compliance Director to the Financial Services Authority and related parties.

- The Bank is successful in reducing amount of violations towards regulations seen from the amount of issued fines that have also decreased.
  - The Bank has followed up the findings of the Financial Services Authority in accordance with the target time.
- f. Implementation of Internal Audit Function
- The Board of Directors has submitted activity report on implementation of Bank's internal audit to the GMS ("RUPS").
  - SKAI/DPI has act objectively in performing the audit.
  - Internal audit function has been performed properly.
- g. Implementation of External Audit Function
- Audit result and Management Letter have indicated problems faced by the Bank and been submitted to Financial Services Authority in a timely manner.
  - Auditor acts objectively in performing the audit.
- h. Implementation of Risk Management and Internal Control System
- The Bank has implemented Risk Management effectively in accordance with the objective, business policy, size and complexity as well as with Bank capacity.
  - The Board of Directors and the Board of Commissioners have performed active supervision on implementation of Risk Management policy and strategy.
  - The Bank has not undertaken business activities that are beyond the ability of the capital to absorb the risk of losses.

- i. Lending to Related Party and Large Exposure Lending
  - There is no violation to Legal Lending Limit (“BMPK”) and there is no Legal Lending Over Limit (“BMPK”).
  - Diversification of lending is spread evenly or the comparison between the amount of large exposure lending/major debtor and the total lending is not significant.
  - The Bank has submitted periodical report on lending by the Bank to related party and/or large exposure lending to Financial Services Authority in a timely manner.
  
- j. Transparency of Bank’s Financial and Non-Financial Condition, Report on Implementation of Good Corporate Governance and Internal Reporting
  - The Bank has submitted the Annual Report and Report on Implementation of Good Corporate Governance to the specified parties completely and in a timely manner.
  - The Bank has presented the Annual Report, Quarterly Condensed Financial Report and Report on Implementation of Good Corporate Governance on the homepage in a timely manner.
  - Mediation for settlement of complaints by customers of the Bank has been performed properly.
  
- k. Bank’s Strategic Plan
  - Corporate Plan and Business Plan is arranged by the Board of Directors and have been approved by the Board of Commissioners.
  - Bank’s strategic plan is arranged in accordance with the comprehensive analysis by taking into account business opportunities and strength of the Bank, as well as identifying the weaknesses and threats (*Strength, Weakness, Opportunities, Threats/SWOT Analysis*)-

- The Bank has amended the Strategic Plan of Information Technology (RSTI) which is part of the Business Plan of the Bank with regards to the suitability of the Bank's strategic plan.
- There is no intervention of the owner to the sharing of Bank's profit.

### 2. Negative factors in Bank's governance outcome aspect are :

#### a. Implementation of Bank's Compliance Function

There are still insignificant penalty in the Regarding violations of the provision. This happen because the maker, checker and approval functions are still not executed properly

#### b. Implementation of Internal Audit Function

Findings collected by SKAI/DPI have been followed up by the Board of Directors and the Auditee. There are some findings that are similar to previous findings but has been followed up and corrected by the Auditee. This happens because the maker, checker and approval functions are still not executed properly. In addition, follow-up repairs are not carried out thoroughly, but only limited to inspection findings.

#### c. Bank's Strategic Plan

The business plan of the Bank in general is almost achieved.

The Bank's Business Plan that was not achieved was the increase in credit growth. The reason for not achieving credit growth is because the Covid-19 pandemic has not yet decreased so that it still affects almost all economic sectors, especially trade, hospitality, tourism, automotive manufacturing, the garment industry, aviation and also the service sector to Experience a decline in activity. In terms of granting new loans, the Bank is currently also cautious while waiting for the condition of the

national economic recovery. In addition, there are debtors who pays off a debt.
