

JOHN ENGELEN

Indonesian Citizen, Age 33, Domiciled in Indonesia

Compliance Director Candidate for PT Bank Bumi Arta Tbk.

Career Journey

John Engelen started his carrier in one of Indonesia's most prominent boutique law firms where he specialized in banking & finance and merger & acquisition practice areas. He was responsible for representing and providing legal services to some largest Indonesian companies. He continued his carrier in litigation representing numerous companies, including several Indonesian biggest banks, in multimillion US dollars commercial cases. He then joined one of the tier-1 capital market specialized law firms where he focused on capital market and financial services practice areas, as well as helped in building the practice area focuses on financial services startups. He handled various clients, including one of the financial services startups. He also held several positions as Senior Legal Manager and Senior Vice President in several unicorns in Indonesia, including a financial services unicorn.

Experience & Expertise

John Engelen has more than 10 years of experience in the legal field, specializing in financial services and technology law, both as a legal consultant and as Senior Vice President Legal & Compliance at one of the *unicorn* companies in the financial services sector. While working as a legal consultant, he provided a lot of legal advice related to the compliance of companies in the financial services sector, such as banking, insurance, including providers of electronic money and electronic wallets. He led several acquisition projects of publicly listed banks. As Senior Vice President at a unicorn company in the financial services sector, he was fully responsible for the compliance process of all of the company's operational activities, especially in the securities and mutual funds sector, was accountable for the success of the audit process carried out by the supervisory authorities, and was heavily involved in the structuring of company's business plan to ensure full compliance with prevailing laws and regulations. During his tenure, he succeeded in ensuring that the company complied with all prevailing laws and regulations where the company never received any warnings or sanctions from supervisory authorities. He has a deep knowledge and understanding in the field of technology. During his time in the United States, he received his education in law, science and technology at Stanford University, and has an extensive network and direct experience seeing the development of financial services startups in Silicon Valley, United States.

Educational Background

John Engelen earned his Bachelor of Law (S.H.) from the Faculty of Law, University of Indonesia in 2012 and a Master of Laws (LL.M.) from Stanford Law School in 2018. He attended many trainings and certifications in the fields of law, taxation and banking.
